TOWARDS A SAFER SOCIETY!

PS4

PSN Account:

Set up your user account to connect to PlayStation Network and access the PlayStation 4 system's robust online features.

Quick Menu:

Here you can access useful settings, such as system notifications, friends list, sound and device settings, Share Play, Spotify music playback settings, power and restart options, and more

See What's New:

See what your friends are playing in What's New, where you can view their latest shared screenshots, video clips, and unlocked trophies. You can also check out the latest trending Live from PlayStation broadcasts of top games.

Dashboard Menu:

The PlayStation 4 home screen is where you'll see your games and downloaded content, streaming services like PlayStation Vue, YouTube, and Netflix, as well as your online community features like Friends List, Notifications, Communities, and Events.

Entertainment Apps and Services:

The PlayStation 4 offers easy access to the best gaming and entertainment available.

Connect and Socialize:

Connect with friends and see their profiles from your Friends List, and "follow" anyone including content creators, game broadcasters, and game developers to see what they are playing and sharing
