

VR HEADSETS

B R O C H U R E

OCULUS GO STANDALONE

The Oculus Go features 32GB of storage and is mainly for those people new to the VR experience that are looking for an entry-level foray into the world of virtual reality. The headset is completely self-contained and unlike the previous version of Oculus. The games and experiences on the Oculus Go are not as intense.

- Enjoy VR Media without Wires or a PC
- Watch Media on 180" Screen
- Front Row View of Sports, Music & Comedy
- 32GB of Storage Capacity
- Enjoy Hulu, MLB & More with Oculus TV
- Hang out with Others with Oculus Rooms
- View Pics & Videos with Oculus Gallery
- Invite Family & Friends to Watch in VR
- Clear Optics & Optimized 3D Graphics
- Built-In Spatial Surround Audio

PROCUS ONE (BLACK)

Featuring the India's most liked VR. With lenses measuring at 40 mm, enjoy an immersive viewing experience and watch the world come alive.

- **THE BIGGEST 40MM LENSES** with an expanded Field Of View, surpassing 100 degrees! Enjoy a fully immersive viewing experience.
- **EYE SAFETY & VIEWING COMFORT** polished HD optical lenses, built-in IPD adjustment feature and adjustable screen distance. Comfortable to wear, with adjustable headband, head support and foam face cushioning.
- **IN BUILT TOUCH BUTTON** for a better gaming experience.
- **GREAT COMPATIBILITY** Compatible with Smartphone models with 4.7"- 6" screens with a gyroscope feature.

OCULUS RIFT S VIRTUAL REALITY SYSTEM

The Oculus Rift S takes the Oculus Experience to a whole, different, and more robust level than the Oculus Go or Oculus Quest. Unlike the Oculus Go and Oculus Quest, the lineup of games for the Oculus Rift S is far more substantial and customizable. In a word, Minecraft VR is playable on the Rift S.

- **PC-Powered VR Gaming**
- **Built-In Room-Scale Insight Tracking**
- **Headphones-Free 3D Positional Audio**
- **Fit Wheel Adjustable Halo Headband**
- **LED Displays, 1280 x 1440 per Eye**
- **Facebook Account Required**

OCULUS QUEST

The Oculus Quest is the first fully functioning VR headset from Oculus that is completely wireless and requires no additional hardware (no smartphone, no television, no PC or laptop) to enjoy. You simply put on the headset, align your boundaries with the Guardian system, and download your games via a Wi-Fi connection.

- **VR Gaming without Wires or a PC**
- **128GB of Storage for Games & Apps**
- **Built-In Room-Scale Insight Tracking**
- **Headphones-Free 3D Positional Audio**
- **Guardian System for Playspace Boundaries**
- **OLED Displays, 1440 x 1600 per Eye**
- **Glasses Compatible with Included Spacer**
