Echo 4th Gen

- The Echo delivers premium sound (powered by Dolby) and delivers clear highs, dynamic mids, and deep bass for a rich, detailed sound that adapts to any room.
- Stream millions of songs from Amazon Prime Music, Spotify, JioSaavn, Gaana, Apple Music, and Hungama Music.
- Access songs in Hindi, English, Telugu, Tamil, Punjabi, Marathi, Bengali, Bhojpuri, Kannada, and more.
- Get started with smart home: use voice to control lights, ACs, geysers, and more. You can purchase smart lights, plugs, and other accessories separately.
- Just ask Alexa for music, news, trivia, scores, weather, alarms, kids' rhymes, and stories. Alexa is always ready to help in both English & Hindi.
- Designed to protect your privacy – comes with a microphone off button that electronically disconnects the microphones.
- With 4 microphones, Alexa can hear your request from across the room.

Echo 4th Gen

- Immersive sound – 5 speakers produce powerful bass, dynamic midrange, and crisp highs. Dolby Atmos technology adds space, clarity, and depth, making Echo Studio the best-sounding Echo device.
- Voice control your music – Stream music from Amazon Prime Music, Apple Music, Spotify, JioSaavn, Gaana and Hungama Music. You can also use your voice to adjust equalizer settings. Just say, “Alexa, increase the bass”.
- Adapts to any room – Automatically senses the acoustics of your space, fine-tuning playback to deliver optimal sound.
- Built-in smart home hub – Set up your smart lights and plugs from Philips Hue and Anchor without a separate hub – just ask “Alexa, discover my devices”. Also control other compatible smart devices from Oakter, Syska, TP-Link, Wipro, and more.

Echo Flex

- Make any space smarter – This plug-in Echo device lets you use your voice to control compatible smart home devices and get help from Alexa in more places in your home.
- Echo Flex can bring Alexa to your speaker, and makes it a smart speaker that can stream music hands-free. Connect Echo Flex to your speaker via 3.5 mm audio cable or over Bluetooth.
- Voice control your smart home – Control lights, plugs, ACs, TVs and other compatible smart home devices from Wipro, Syska, TP-Link and more. Set AC temperature or TV volume using just your voice, or turn on the AC remotely 15 mins before entering your home or set up smart schedules to turn off the AC and save energy.
- Connect with others – Drop in on or make announcements to other rooms that have a compatible Echo device. Call hands-free to the Alexa app or another Echo.

Echo Show 5

- Alexa can show you more: Smart display with 5.5" screen and full sound, ready to provide you entertainment, help manage your day better and connect you to friends and family – just ask and Alexa will respond instantly.
- Video and music entertainment: Ask Alexa to show your favourite TV shows on Amazon Prime Video and Netflix, or stream music videos from Hungama Music. Enjoy music from Amazon Prime Music, Spotify, JioSaavn, Gaana, Hungama. Keep your kids entertained with skills like Chu Chu TV, Chhota Bheem and more.
- Manage your day better: Ask Alexa to help you manage your busy life by setting reminders and timers. Watch the latest news or get weather updates while you are rushing through your daily chores.
- Makes your home smart : Use your voice to control compatible smart devices or manage them on the easy-to-use display. Ask Alexa to show you the kid's room or dim the bedroom lights or switch on the AC.

Echo Input

- Portable Echo for your home – Smart speaker that comes with a fabric design and 360 degree sound. Unplug the device and carry it room to room while listening to music, uninterrupted.
- Built-in battery for non-stop music – Comes with a 4800mAh rechargeable battery that provides up to 10hrs of continuous music playback time (up to 11hrs of stand-by time). Tap the power button to see the current battery level indicated by the 4 LEDs.
- Voice control your music – Stream music from Amazon Prime Music, Spotify, Apple Music, JioSaavn, and Gaana – just ask for a song, artist, or genre. To increase the volume, just ask “Alexa, volume 10.”
- Get help when your hands are full – Ask Alexa to play music, control compatible smart home devices, answer questions, read the news, check the weather, and more.

Echo Show 8

- See and do more with Alexa – With an 8" HD screen and stereo sound, Alexa can help manage your day at a glance.
- Ask Alexa to show your favourite TV shows and movies on Amazon Prime Video or stream music videos from Hungama Music. Enjoy music from Amazon Prime Music, Saavn, Gaana, Hungama. Keep your kids entertained with skills like Chu Chu TV, Chhota Bheem and more.
- Connect with video calling and messaging – Make video calls to friends and family who have Skype, other Echo devices with screen, or the Alexa app. You can also make voice calls, send messages, or instantly connect to other Echo devices in your home to make a quick announcement or check in on the kids.
- Control your smart home – Voice control compatible devices or manage them on the simple interactive display. Ask Alexa to show you security cameras, control lights, and switch on the geyser or AC.

Echo Dot (4th Gen)
